Re: Alvina Elementary School

Subject: AHERA - December 2018 Six Month Surveillance

Dear Mr Iribarren,

Your December 2018, AHERA six month surveillance was performed January 22, 2019. Certified Specialist, Inc, completed the EPA mandated six month surveillance of your facilities as mandated by 40 CFR 763.85 (b).

Findings: The facility is in good condition with evidence of proper maintenance.

Training:

Please note, that the EPA mandated and Cal/OSHA Annual Two Hour Asbestos Awareness will be due in December 2019.

Your next surveillance will be June 2019. Please insert this report in Tab 10 of your Binder for your use.

Sincerely,

Robert Liddell
