Projected special education budget funding, revenues, and expenditures by LEAs are specified in **Attachments II–V**. This includes supplemental aids and services provided to meet the needs of students with disabilities as defined by the Individuals with Disabilities Education Act (IDEA) who are placed in regular education classrooms and environments, and those who have been identified with low incidence disabilities who also receive special education services.

**IMPORTANT:** Adjustments to any year’s apportionment must be received by the California Department of Education (CDE) from the SELPA prior to the end of the first fiscal year (FY) following the FY to be adjusted. The CDE will consider and adjust only the information and computational factors originally established during an eligible FY, if the CDE's review determines that they are correct. *California Education Code (EC) Section 56048*

Pursuant to *EC* Section 56195.1(2)(b)(3), each Local Plan must include the designation of an administrative entity to perform functions such as the receipt and distribution of funds. Any participating local educational agency (LEA) may perform these services. The administrative entity for a multiple LEA SELPA or an LEA that joined with a county office of education (COE) to form a SELPA, is typically identified as a responsible local agency or administrative unit. SELPA: Fresno County SELPA

Fiscal Year: 2023–24

Each SELPA must adhere to requirements for developing and reporting special education budget revenue and expenditures. The following excerpt is taken from California School Accounting Manual (CSAM): Procedure 755 Special Education on page 755-1 and included to assist the SELPA with completing Section D: Annual Budget Plan information for each LEA participating in the SELPA's Local Plan.

Special education budgets are complex and are of great interest to the public, both locally and statewide. *EC* Section 56205(b)(1) requires that a special education budget shall identify particular elements. Identification of the following elements is facilitated by the standardized account code structure (SACS):

1. Apportionment received by the LEA in accordance with the allocation plan adopted by the SELPA. (The apportionment is tracked in SACS in the resource field in combination with the revenue code in the object field.)
2. Administrative costs of the plan. (These costs are tracked in the function field.)
3. Costs of special education services to pupils with severe disabilities and low-incidence disabilities. (This population is identified by the goal field.)
4. Costs of special education services to pupils with nonsevere disabilities. (This population is identified by the goal field.)
5. Costs of supplemental aids and services provided to meet the individual needs of pupils placed in regular education classrooms and environments. (Costs of these aids and services are tracked in the function field.)
6. Costs of regionalized operations and services and direct instructional support by program specialists in accordance with Part 30, Chapter 7.2, Article 6, of the California *EC*, Program Specialists and Administration of Regionalized Operations and Services. (These costs are tracked in the goal field for regionalized operations and in the function field for instructional services.)
7. Use of property taxes allocated to the SELPA pursuant to *EC* Section 2572. (Property taxes allocated to the SELPA are tracked in the resource field and identified by a revenue code in the object field.)

Special education programs operated by FCSS on behalf of the LEAs are supported by county special education property tax in addition to its other state and federal funds. Anticipated excess costs beyond property tax revenues are determined annually by the SGC, with input from the Executive Committee. Funding to support the anticipated excess costs is deducted from each LEA's allocation.

### **Distribution of Special Education Resources to LEAs for Operation of Special Education Programs and Services**

The SGC shall adopt policies for the allocation of special education funds to LEAs. The intent is to assure access and availability of services to all eligible students within the Fresno County SELPA. The Fresno County SELPA shall be responsible for the distribution of special education funds according to policies, procedures and the Funding Allocation Plan, including state apportionments, property tax, federal Local Assistance grants and other additional sources of revenue received by the Fresno County SELPA.

SELPA Fresno County SELPA

Fiscal Year 2021-22

Funds are allocated for the provision of special education services to individuals with disabilities enrolled in LEAs in the Fresno County SELPA. Services may be provided through funds allocated to a district of residence, to another school LEA, to a charter LEA, to the Fresno County Superintendent of Schools (FCSS) or to the Fresno County SELPA office to assure access to a full range of program options.

The distribution of grant funds follows guidelines and required procedures. Such grants may include Preschool, Early Intervention Part C, Infant Discretionary, Personnel Development for Special Education Local Plan Areas, Low Incidence Equipment and Services, WorkAbility, Transition, Pre-kindergarten Staff Development and Alternative Dispute Resolution. Each LEA that receives funds shall establish and maintain the appropriate accounting records in accordance with and required by state and federal laws. LEAs shall expend these funds in accordance with all state and federal laws. Each LEA shall provide reports requested by the Fresno County SELPA in a timely manner.

Regionalized services and program specialist funds shall be allocated to the Fresno County SELPA office to support regionalized services and other administrative costs to operate the Local Plan. The Joint Oversight Committee shall review and adopt budgets in accordance with Education Code.

#### **Local Control Funding Formula**

For students with disabilities served in a special day class, the LEAs and FCSS operated special education programs generate funding from the Local Control Funding Formula (LCFF). FCSS operated special education program budgets, through an MOU between FCSS and the LEAs, receive this revenue via a transfer. A separate special education actual daily attendance (ADA) transfer occurs from the FCSS's business department to the respective districts of residence. These dollars are not part of the Fresno County SELPA's Funding Allocation Plan.

#### **c. The operation of special education programs:**

The Fresno County SELPA Superintendents' Governance Council (SGC) approves allocation of resources for the provision of special education programs. Either an LEA or the Fresno County Superintendent of Schools (FCSS) special education programs are the providers of the services or programs. In addition, SELPA staff may be employed to provide areas of specialized expertise, which shall be available to LEAs and FCSS. Memorandums of Understanding (MOUs) or Exchange Agreements may be used to assure a full range of program options for students enrolled in LEAs in the Fresno County SELPA.
